

01 Athletic Rehabilitation Series

- ★ Selected for the Excellent Domestic Medical Equipment Products Catalog
- ★ Guangdong's Famous High-tech Products in 2022
- ★ Guangdong's Famous High-tech Products in 2023

A1S

Lower Limb Intelligent
Feedback & Training System

A1-2

Lower Limb Intelligent
Feedback & Training System

A1-3

Lower Limb Intelligent
Feedback & Training System

A6-2

Upper Limb Training &
Evaluation System

A6m2

Upper Limb Training &
Evaluation System

A5

Hand Function Passive
Training System

PD

Multifunctional Table
for Hand Training

PDmini

Pediatric Multifunctional
Table for Hand Training

A4

Hand Function Training
& Evaluation System

YK-7000A3

Dewatering
Gait Trainer

MTT-S

Sitting Spine Stability Assessment
Training Instrument

A7-2

Gait Analysis System

ES2

Speech and Language Impairment
Rehabilitation Assessment
and Training System

- ★ Selected for the Excellent Domestic Medical Equipment Products Catalog
- ★ Guangdong Province Measurement Control and Instrumentation Science and Technology Special Award

SL4-1

Active-Passive Training &
Evaluation Bike (Lower Limb)

SL4-2

Active-Passive Training &
Evaluation Bike (Upper Limb)

SL4-3M

Active-Passive Training & Evaluation Bike (Unit)

SL4

Active-Passive Training &
Evaluation Bike
(Upper & Lower Limb)

SL4I-1S

Bedside Active-Passive
Training & Evaluation Bike

SL4I-2S

Bedside Active-Passive
Training & Evaluation Bike

SL1

Knee joint Active
Training Apparatus

A8-2

Multi-Joint Isokinetic Strength
Testing & Training System

A8-3

Multi-Joint Isokinetic Strength
Testing & Training System

A8mini2

Multi-Joint Isokinetic Strength
Testing & Training System

Isokinetic Neck Accessories

Isokinetic Waist Accessories

A8mini3

Pediatric Multi-Joint Isokinetic
Strength Testing & Training System

PE4

Low-frequency Electrotherapy Apparatus
with High-voltage Therapy System

PE5

Super Interference Electrotherapy
Apparatus

PE6

Medium Frequency Conversion
Electrotherapy System

PS2-M

Portable Shockwave
Therapeutic Apparatus

PS2-1

Shockwave Therapeutic
Apparatus

PS2-2

Shockwave Therapeutic
Apparatus

PL1

Point-Mode Infrared
Therapeutic Apparatus

02 Rehabilitation Assessment Series

- ★ We passed the Chinese Association of Rehabilitation Medicine's assessment of scientific and technological accomplishments.
- ★ Selected for the Excellent Domestic Medical Equipment Products Catalog
- ★ The Chinese Association of Rehabilitation Medicine's "Rehabilitation Medicine Guidelines"

03 Physical Therapy Series

AI Rehabilitation Robotic IoT Center Solutions

Intelligence Makes Rehabilitation Easier

Guangzhou Yikang Medical Equipment Industrial Co.,Ltd

Service Hotline: 400-6086-168

Website: www.yikangmedical.com

Address: No.6 Xingsha Road, Nansha Street, Nansha District, Guangzhou, China

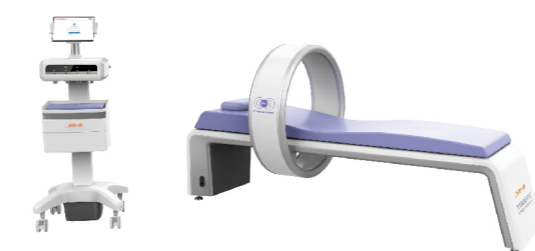

PE1
Neuromuscular Electrotherapy
Stimulator

PE2
Intermediate Frequency
Electrotherapy Apparatus

PS3
High Energy Muscle
Massager Gun

PM1
Alternating Magnetic Field Therapy Bed

PM2
Alternating Magnetic Field Therapy Bed

YK-6000D
Traction Table with
Heating System

YK-5000A
Alternating Magnetic
Field Therapy Bed

YK-5000B
Alternating Magnetic
Field Therapy Bed

A12
Multi-Position Medical Diagnosis bed

YK-8000A
Electric Bobath Bed

PC1
Physical Therapy Bed

YK-8000E2
Electric Tilt Bed

YK-8000C3
Multi-Position Medical Treatment
Bed (Three Sections)

YK-8000C1
Multi-Position Medical Treatment
Bed (Eight Sections)

YK-8000E1
Electric Tilt Bed

YK-8000C4
Multi-Position Medical Treatment
Bed (Five Sections)

YK-8000C2
Multi-Position Medical Treatment
Bed (Nine Sections)

04 Bed Series
